How much of your advertising revenue can you afford to give up?

Your advertisers might soon be unable to deduct their full advertising expense. Uncle Sam wants to slash the long-standing deduction to **raise advertisers' taxes even higher!**

Cutting advertising expense deductibility is now on the table in both the House and Senate. Advertising is the economic engine that drives local economies. More government intervention will hurt **your** pocketbook. Thousands of communities across America could be harmed. Advertising should continue to be a fully deductible business expense!

Join the National Newspaper Association in the battle **against advertising taxes.**
