Newspaper

City

State

### Select ONE:

#### COMMUNITY SUPPORT FOR EDUCATION:

- Indicate how your newspaper assisted with community groups to provide financial support through tax dollars, peer-mentoring, fund-raising or volunteer assistance to public schools

#### STUDENT EDUCATION:

- Indicate direct support for students through internships, instructional assistance, student clubs and organizational support, etc.

#### CIVIC LITERACY:

- Indicate how your newspaper assisted with student newspapers, civic education programs, student-led public policy debates and other programs to help train the next generation in democracy

#### OTHER:

- Any other program that your newspaper participated in that furthers your community education goals

**State the goal of your NIE Project:** (up to 5 points for a stated goal)

## **Division B: Newspapers Supporting Education & Civic Literacy (Page 2)**

**Indicate the specific ways in which your project met this goal and describe how this project benefited your community:**  
(up to 10 points for achieving the goal)

**List promotional materials, editorials, letters of support, and any other documents you believe will demonstrate the scope and impact of the newspaper's involvement and upload these documents separately:** (up to 15 points for quality of supporting materials)
