In addition to gaining great information, you will qualify for prizes and it's fun.

To qualify for the drawings, visit with each exhibitor to learn about the company's products or services and then ask for the keyword that describes what's new with their company. Record the keyword in their booth space below and get the card stamped. There are four chances to win:

To register for the drawings and see the prizes, present your card at the What's New booth in the Trade Show. You will also find out the drawing times and the winners' names.
